

## JOURNAL OF RESEARCH IN ARCHITECTURE AND PLANNING

### **SCOPE, AIMS AND OBJECTIVES**

The primary objective of the Journal of Research in Architecture & Planning is to provide an international forum for the dissemination of research knowledge, new developments and critique in architecture, planning and related disciplines for the enrichment and growth of the profession within the context. The journal focuses on papers with a broad range of topics within the related discipline as well as other overlapping disciplines that contribute to architecture and planning. The JRAP publishes a wide range of research papers which deal with design, research and development studies; investigations of experimental and theoretical nature.

Articles are contributed by faculty members, research scholars, professionals and other experts. The editors welcome papers from interested academics and practicing architects, urban designers and planners. Papers published so far have been on topics as varied as housing, urban design, urban planning, built environment, educational buildings, conservation and preservation of the built form and domestic architecture. All back issues are free access and available online on the official journal webpage [https://jrap.neduet.edu.pk/online\\_journal.html](https://jrap.neduet.edu.pk/online_journal.html)
