

## CALL FOR BOOK REVIEWS

ISSN 17728-7715 (Print), ISSN 2519-5050 (Online) - listed in Ulrich Periodical Directory

**Journal of Research in Architecture and Planning (JRAP)**, an official Journal of the Department of Architecture and Planning, NED UET, is considering proposals for book reviews. We are therefore inviting readers to submit comprehensive reviews of books that are rooted in scholarly analysis and critiques and /or empirical study of architecture and planning theory and practices.

The book reviews should be original and insightful and provide a comprehensive survey of the book. The book review should include detailed synopses and evaluation of the book and give an account of the book's aims and merits. As appropriate, reviewer should evaluate critically the contribution of the book to the fields of architecture, planning and development.

### The book review must adhere to the following criteria

- The book must be a recent publication
- Book reviews should be between 500 - 1,500 words
- Please submit your review electronically as on MS Word document
- Please include full publication information of the book
- Please include one picture of cover page/title page of the book
- Please include a brief biographical statement of no more than 75 words (please use third person)

**SUBMISSIONS ARE ACCEPTED BY JUNE AND JULY OF EACH CALENDAR YEAR**

We look forward to hearing from you
